

April is: FAIR HOUSING MONTH

Over the past two months, we have been monitoring the rental/sale property advertisements and in compliance with the City's obligation to affirmatively further fair housing, NO DISCRIMINATORY EXPRESSIONS were found!

Congratulations Residents, Apartment Managers, and Realtors:

So that you know, the following is a list of prohibited words. Words not appearing on this list could be used to discriminate. Conversely, words appearing on the list will not always violate the law.
